

Department-Owned and Personal Property

700.1 PURPOSE AND SCOPE

The policy addresses the care of department-owned property and the role of the Department when personal property, the property of another or department-owned property is damaged or lost.

700.2 POLICY

Members of the Easton Police Department shall properly care for department property assigned or entrusted to them. Department-owned property that becomes damaged shall be promptly replaced. Members' personal property that becomes damaged during the performance of assigned duties will be reimbursed in accordance with this policy.

700.3 DEPARTMENT PROPERTY

All property and equipment issued by the Department shall be documented in the appropriate property sheet or equipment log. Receipt of issued items shall be acknowledged by the receiving member's signature. Upon separation from the Department, all issued property and equipment shall be returned. Documentation of the return shall be acknowledged by the signature of the Support Services Commander or their designee.

700.3.1 CARE OF PROPERTY

Members shall be responsible for the safekeeping, serviceable condition, proper care, use and replacement of department property that has been assigned or entrusted to them.

Intentional or negligent abuse or misuse of department property may lead to discipline including, but not limited to, the cost of repair or replacement.

- (a) Members shall promptly report, through their chain of command, any loss, damage to, or unserviceable condition of any department-issued property or equipment.
 - 1. A supervisor receiving such a report shall conduct an investigation and direct a memo to the appropriate Commander, which shall include the result of the investigation and whether misconduct or negligence caused the loss, damage or unserviceable condition.
 - 2. The reporting member shall complete an Incident Report regarding any loss, damage to, or unserviceable condition of any department-issued property or equipment.
 - 3. A review by command staff should determine whether additional action is appropriate.
- (b) The use of damaged or unserviceable property should be discontinued as soon as practicable, and the item replaced with a comparable item as soon as available and following notice to a supervisor.
- (c) Except when otherwise directed by competent authority or otherwise reasonable by circumstances, department property shall only be used by those to whom it was

assigned. Use should be limited to official purposes and in the capacity for which it was designed.

- (d) Department property shall not be thrown away, sold, traded, donated, destroyed or otherwise disposed of without proper authority.
- (e) A supervisor's approval is required before any attempt to repair damaged or unserviceable property is made by a member.

700.4 PERSONAL PROPERTY

Carrying and/or using personal property or equipment on-duty requires prior written approval by the Chief of Police or appropriate Commander. The member should submit a request that includes a description of the property, and the reason and length of time it will be used. Personal property of the type routinely carried by persons who are not performing law enforcement duties, and that is not a weapon, is excluded from this requirement.

The Department will not replace or repair items that are not reasonably required as a part of work.

700.4.1 FILING CLAIMS FOR PERSONAL PROPERTY

Claims for reimbursement for damage to, or loss of, personal property must be made on the proper form. This form is submitted to the member's immediate supervisor. The supervisor may require a separate written report.

The supervisor receiving such a report shall investigate and direct a memo to the appropriate Commander, which shall include the result of the investigation and whether reasonable care was taken to prevent the loss, damage or unserviceable condition.

Upon review by command staff and a finding that no misconduct or negligence was involved, repair or replacement may be recommended by the Chief of Police, who will then forward the claim to the Town department responsible for issuing payments.

700.5 DAMAGE TO PROPERTY OF ANOTHER

Members who intentionally or unintentionally damage or cause to be damaged the real or personal property of another while performing any law enforcement function shall promptly report the damage through their chain of command.

The supervisor receiving such a report shall conduct an investigation and direct a memo to the appropriate Commander, which shall include the result of the investigation and whether reasonable care was taken to prevent the loss, damage or unserviceable condition.

A review of the incident by command staff to determine whether misconduct or negligence was involved should be completed.

700.5.1 DAMAGE BY PERSONNEL OF ANOTHER AGENCY

Personnel from another agency may intentionally or unintentionally cause damage or cause to be damaged the real or personal property of the Town of Easton or of another person while performing their duties within the jurisdiction of this department.
